harvard

A Harvard study on lung cancer gene expression

Description

A Harvard study on lung cancer gene expression. Data is represented as an ExpressionSet.

Usage

data(harvard)

Details

Annotation for the phenoData will be updated.

michigan

A Michigan study on lung cancer gene expression

Description

A Michigan study on lung cancer gene expression. Data is represented as an ExpressionSet.

Usage

data(michigan)

Details

Annotation for the phenoData will be updated.
